Kenosept L

SPRAY ON ALCOHOL BASIS FOR SURFACE TREATMENT

CID LINES

easy and safe to use

- appropriate for all surfaces
- tested and proven effective against Influenza A/H1N1 (Mexican flu / swine flu)

Effective surface and hand disinfection

Keno Sept L is the ideal solution in preventing the indirect transfer of micro-organisms via surfaces, contact points and hands.

Fast action

Kenosept L is -thanks to its unique composition- extremely appropriate for the fast treatment of tables, chairs and all washable surfaces.

Kenosept L has a bactericidal, fongicidal and virucidal action and complies to the norms EN 1040, EN 1276, EN 1500 and EN 1650.

Keno sept L contains alcohol and chlorhexidine which ensure a long lasting action.

Kenðsept L is more than 90% biodegradable.

Kenosept L has been tested and proven effective against both the human as the swine strain of the Influenza virus A/H1N1. A copy of the report is available upon request.

Safe in use

Kenosept L is safe for all materials. Kenosept L contains no fragrance. Kenosept L is extremely soft for the hands.

Directions for use

Kenosept L is ready for use and can be applied in an (automatic) dispenser or with a dosing pump.

Treatment of surfaces:

- Spray the surfaces to treat with Kenosept L untill completely covered
- Let the product dry
- Dry off with dry paper cloth if necessary

Hygienic hand disinfection:

- Apply 5 ml Kenosept L in the palm of the hand, rub hands well, also the space between the fingers
- Rub untill completely dry

Chirurgic hand disinfection:

- Wash the hands with surgical soap in advance, rinse well with clear water
- Dry hands
- Apply 2 x 5 ml Kenosept L on hands and lower part of the arms, rub until completely dry

Packaging:

Hygiene is health. Hygiene makes all the difference in the food chain, from farm to fork. At CID LINES we make hygiene work. We combine 360° solutions with tailored advice. We go for the highest service levels and we invest in continuous innovation. This way we help our partners focus on what's key: keeping their business profitable, sustainable and most of all healthy. Because hygiene is health and health means greater wellbeing for all.
